Subject Request letter on PICs

Steve Gunderson

The U S Department of Energy Rocky Flats Project Office is requesting a letter be sent from your department regarding the *Potential Incidents of Concern 4,6,9,11,14,15,17,18,41,42,44,47,and 57 Action/No Action Recommendations* dated April 15, 2004 stating that the PICs are of no concern This document was discussed at the documents meeting on April 29, 2004 with your staff from the Colorado Department of Public Health and Environment and with the staff from U S Environmental Protection Agency, Region VIII PICs 9, 15, 17, 18, and 41 will be completed within other IHSS groups as mentioned in the above document Also, photo copies of buildings within the document will be replaced with better copies

This e-mail will serve as the Administrative Record documentation for the PICs

Thanks,
Norma Castaneda
